

## INTRODUCTION AND CONSENT

INTERVIEWER NAME: \_\_\_\_\_

PHONE NUMBER CALLED \_\_\_\_\_

### Greeting,

Thank you for considering taking part in this study to help improve actions taken in response to the novel coronavirus pandemic (COVID-19). This study will involve answering a survey which will be asking you questions relating to COVID-19 and actions to reduce the spread of COVID-19 with a focus on face masks.

This study is conducted by [insert name of controller] and the data is collected by [insert name of the data collection agency].

All the Information you give us will be kept confidential. We will not ask your name. The anonymized results may be shared with scientific experts [ INSTITUTION NAME] to help find ways to minimize the public health, social and economic impact of the virus. They may also be used in scientific publications. Any answers you provide us will be put together with answers from other people, and it will not be possible to identify anyone in the results.

The interview is completely voluntary, you have the right to participate or not, to stop at any time, and not answer any questions you don't want to. The study doesn't include anyone under 18 years of age. There are no right or wrong answers; we just want to find out your views. The interview will take up to [xx minutes] to complete. Do you have time for me to ask you some questions now?

**Yes**, I agree to participate in this survey

**No**, I do not agree to participate in this survey (terminate)

*INTERVIEWER – IF THE PERSON SAYS NO, THEN THANK THEM FOR THEIR TIME AND END THE CONVERSATION. THIS SHOULD THEN BE RECORDED AS A **REFUSAL IN YOUR EXCEL FILE THAT LOGS ALL CALLS.***
